

To Access Flipgrid:

1. Download the free Flipgrid app to use your phone or iPad. If you prefer to use your laptop, go to www.flipgrid.com
2. Click on the Flipgrid icon if using your phone or iPad. 
3. Scan QR Code provided by your teacher. Laptop users will enter the **join code** or direct link provided by your teacher.
4. Log in with Microsoft. (0365 email- firstname.lastname@students.cobbk12.org) You will then be taken to the CCSD page where you will enter your password. If you have forgotten your 0365 email, go to StudentVue and click on Account Login Information. If you don't remember your password and need a reset, email gena.cochran@cobbk12.org
5. You should now see your specific class assignment and instructions.
6. Click on the Flipgrid icon  and position your device so your face is centered. 😊
7. Click on the **red camera** to record. You may start and stop. Delete by clicking the trash can if you mess up.
8. Review your video and if you are pleased, click on the **white arrow in the bottom right corner**.
9. Next, take a **selfie and submit**. **Do not exit the app before you see a "SUCCESS" message that your video has been submitted!**
